Get Your Hard Hats

Over the past few years, we have identified major capital improvement projects at each of our campuses. Some of these projects haven't begun and others are partially completed. With the merger in the Holy Face of Jesus Parish, we need to decide which projects to prioritize and how each project will be funded.

On Monday, November 11, our pastoral council, finance committee, and buildings and grounds committee met together to discuss these matters. Here is the brief recap of the meeting.

The first item to note is that God has blessed us financially. There is no other way around it. We have been entrusted with so much from God and it is a little overwhelming to see His generosity. You have been incredibly generous as well. Hopefully, you noted this in September when we published our annual financial report. Since our fiscal year ended on June 30, 2024 and we merged, we have been blessed in greater ways. We have received a couple of generous estate gifts and a generous pledge toward the renovation of the Faith Center at St. Joseph. With this pledge, we have around \$5.4 million dollars in savings.

We don't want to deplete all our savings on capital improvement projects. The finance committee recommended keeping six months worth of expenses in savings, about \$1 million.

The biggest project is the Faith Center at St. Joseph. Bids from general contractors were due on October 31, and by the publication of this article, we will have likely selected a contractor. Once a general contractor is officially selected, we can communicate more details about the renovation of the Faith Center.

The stained-glass windows at St. Lawrence Church and St. John Church need to be refurbished. We replaced the exterior storm windows of the St. Lawrence windows over the summer. The windows at St. John are a little smaller than St. Lawrence and less expensive. To complete the

stained-glass windows at St. Lawrence Church, it will cost \$169,000, and to complete the windows at St. John Church, it will cost \$180,000.

The last project is the pipe organ at Immaculate Conception. A committee has been formed to analyze potential solutions and we are diligently researching possibilities. Solutions range from a digital (or electric) organ, which could cost around \$200,000, to a mechanical-action pipe organ, which could cost around \$700,000, but would last ten times as long as a digital organ. We don't have any official bids yet for this project because we aren't sure what we want yet.

The Pastoral Council, Finance Committee, and Buildings and Grounds Committee unanimously recommended to begin the renovation of the Faith Center, refurbish the stained-glass windows at St. Lawrence and St. John, and to allocate \$500,000 for the new pipe organ at Immaculate Conception.

These are major endeavors, and they will be completed over the coming years. Hopefully it builds confidence that we are here to stay. All of our buildings will be maintained and improved.

There are three action items: please pray for the safe completion of these projects. Secondly, if you would like to give to these projects, you can. Simply make a check out to Holy Face of Jesus Parish and include the particular project in the memo line. We'll communicate more fundraising information, but I wanted to communicate this before the end of the year.

Finally, there are numerous details that I wasn't able to include in this article. There will be more information to come. We will have a town hall meeting on **Sunday, December 8th at 4pm in the St. Joseph Parish Life Center**. If you are not able to come, it will be recorded and posted online.

Sincerely in Christ,
Fr. Sean Wilson

Christmas Jubilee Giving Trees

Christmas Jubilee is a program that provides gifts for youth of the Wapakoneta School District, ages 0-19, who may not otherwise receive something due to economic conditions. Tags on the Giving Trees list the age of the child to buy for. Please select a tag and shop for something for a child in that age range. The hardest group to buy for are the teens, so please consider shopping for that age group. Gift cards are very much welcome, especially for this age group. The Giving Tree at St. Joseph will be up the day after Thanksgiving, November 29th. The Giving Tree at St. John will be set up the Sunday before Thanksgiving, November 24th.

All gifts are due back by Sunday, December 15th after Mass. Thank you for your generosity!

Scammers

Please be aware that scammers have been known to impersonate our priests. They may send a text/email that says something like: "Hi, please return my text when you get it. I have a favor to ask." "Are you available? I have a request for you to manage discreetly." Their text or email will probably even be signed with the name of one of our priests. If you engage with the scammer, they will likely ask for iTunes gift cards. **These are not our priests! They will never send messages like this. If you're ever questioning a message, please call the parish office before responding. If you've been scammed, ignore the message (or report it as a "phishing message") and say a prayer for the scammer.**
