2026

In breaking news: the Diocese of Peoria, Illinois has announced that Venerable Archbishop Fulton Sheen will be soon Beatified. The miracle attributed to this next step concerned the healing of James Fulton Engstrom of Washington, Illinois, who was stillborn when delivered during a home birth in 2010. Doctors were ready to declare him dead after showing no signs of life for 61 minutes, his heart began to beat while his parents prayed for a miracle through Archbishop Sheen's intercession.
