Thirty-Third Sunday in Ordinary Time – November 15th, 2026

American Saint Series: Blessed Stanley Rother

We are wrapping up the American Saint Series this week with a man who was recently beatified. Stanley Rother was born in rural Oklahoma in 1935 and was one of four children. He grew up on the family farm and went to the local Catholic school. After high school, he decided to enter the seminary. However, after six years in the seminary, he was dismissed due to his poor grades.

His bishop didn't give up on him. He arranged for Stanly to attend a different seminary in Maryland and Fr. Stanley Rother was ordained a priest in 1963. After serving four or five years in various cities, he requested to be a missionary in Guatemala, in one of the poorest parts of Central America.

Fr. Stanley Rother arrived in Santiago Atitlán, Guatemala in 1968 and began to study Spanish and the native Tz'utujil language. He zealously cared for the parishioners, caring for their physical and spiritual needs. He utilized his farming background to enable the locals to grow new crops. He even helped translate the New Testament into the native Tz'utujil language. His Wikipedia article states, "He was a prominent figure in the community, owing to his light complexion and pipe smoking."

Guatemala was embroiled in a "low-level civil war" between a military government and a leftist group which was composed of many indigenous peoples. The war heated up when a new president was elected in 1978 who sent out squads to intimidate the indigenous peoples which included many bishops, priests, deacons, sisters, and parishioners.

The squads increased their activity in Fr. Rother's city: they kidnapped parish catechists, and the parishioner who operated the local Catholic radio station. Fr. Rother wrote to a friend back home, "The shepherd cannot run at the first sign of danger." In January 1981, parishioners discovered that Fr. Rother's name was on the assassination list and encouraged him to leave immediately. He returned to Oklahoma and stayed at his parents' farm, celebrating Mass at the local parish. Family members reported that they often saw him standing on the front porch, gazing south towards Guatemala.

Fr. Rother asked his bishop for permission to return to celebrate Easter; he agreed and Fr. Rother returned in April 1981. On July 28, 1981 three men in masks broke into the church, searched for Fr. Rother, and shot him twice in the head.

In the aftermath of the killing, around 2,500 people attended his funeral Mass and thousands more stood outside the church. Parishioners requested that Fr. Rother's heart be removed and placed permanently behind the altar. His body was returned to Oklahoma for another funeral.

After he was beatified in 2017, the Archdiocese of Oklahoma City broke ground on the Blessed Stanley Rother Shrine. It was completed in 2023 and if you're ever in Oklahoma City, I would recommend stopping by. It looks incredible.

Sincerely in Christ,
Fr. Sean Wilson

Scammers

Please be aware that scammers have been known to impersonate our priests with a text/email that says something like: *"Hi, please return my text when you get it. I have a favor to ask."* or *"Are you available?"* Their text/email will probably even be signed with the name of one of our priests. If you engage with the scammer, they will likely ask for iTunes gift cards. **Our priests will never send messages like this. If you're ever questioning a message, please call the parish office before responding. Ignore the message (or report it as a "phishing message") and say a prayer for the scammer.**
